

Cummins India Campus Drive -2026 Batch

Greetings from Cummins India!

Cummins Group in India is a leading provider of integrated power solutions for the industrial and automotive sectors. It operates through twelve companies. Established in 1962 and headquartered in Pune, Cummins India Limited (CIL) is the oldest and largest entity within the group and is one of the leading power solutions providers in the country.

We at Cummins India is committed to fostering a diverse and inclusive work environment, and we take pride in being an equal opportunity employer.

We value talent from all backgrounds and welcome applications from all qualified individuals, regardless of their race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age or veteran status.

We are delighted to partner with your reputed institution this year for our **BOAT DET / DET1 hiring for the graduating batch of 2026.**

I request your support in promoting these opportunities among interested and eligible students from your college and nearby colleges, and we look forward to receiving the list of interested candidates (Template attached).
